SPRING 2024 SEASON NOTES:

Concluding the Spring 2024 season, we have some notes and action items to execute moving into the Fall 2024 season.

- Introduction of new Classic League "RESCHEDULE PROCESS" Decision tree.
- Evidence of need for more education surrounding "22 Player Roster" and the guidelines involved with this. We will be pushing that information out to teams, clubs, and referees for the upcoming Fall.
- Discussion of the Forfeit Fee fine amount and potential need to increase this
- Reminder and education for the referee organization surrounding APPROVED and ACCEPTED ELECTRONIC ROSTERS AND PASSES. We had many instances this past Spring 2024 season where teams were told by officials that these were not accepted, which is INCORRECT.

We are here to help! AS ALWAYS, if you have any questions, concerns or comments for the Classic Program please feel free to call or email Colby Morton at the state office.
